

Ways to get a *National Forest* Map!

National Forest Visitor Maps

Forest Visitor Maps are available for purchase digitally via the Avenza Map Store for \$4.99, and in print from the US Geological Survey (USGS) Map Store and Forest Service office front desks for \$14.00. Visitor Maps can also be ordered from the USGS by phone: 1-800-ASK-USGS (1-800-275-8747). Scan the QR Codes or use the links below to access the map stores.

Avenza Map Store (Digital Maps)

<https://store.avenza.com/collections/us-forest-service-r9>

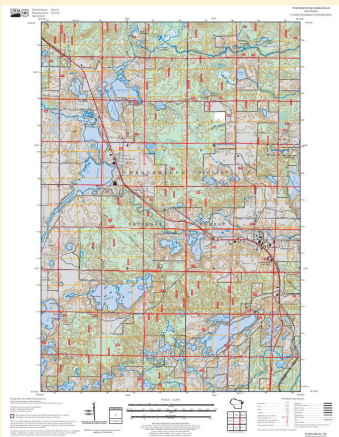

USGS Map Store (Paper Maps)

<https://store.usgs.gov/fsmaps>

FSTopo Maps

Forest Service Topo Maps can be downloaded for free directly from the USDA Forest Service Geodata Clearinghouse. Available formats include PDF/GeoTIFF, Web Map Service, and Tile Packages. Full-scale plots are also available for purchase from certain Forest Service office front desks. New ways to get FSTopo maps coming soon!

FS Geodata Clearinghouse
