Subject: Recreation Enhancement Act Approval of Fee Proposals Presented to Pacific Northwest Recreation Resource Advisory Committee Meeting February 2, 2010

To: Forest Supervisor, Deschutes National Forest, Forest Supervisor, Okanogan-Wenatchee National Forests, Forest Supervisor, Umpqua NF

We have received the latest recommendations from the Pacific Northwest Recreation Resource Advisory Committee from their February 2, 2010, meeting regarding forest fee proposals for 2010. Your forest representatives did an outstanding job in presenting the forest overview, the relationship to Recreation Facility Analysis, and the rationale for the fee proposal. You are hereby authorized to implement your proposed fee changes as identified in the enclosed spreadsheet.

We have an obligation to the public to share how fees are used. Whether dollars are spent offering interpretive programs, purchasing picnic tables, or picking up trash, we need to communicate where this money is spent and how these funds make a difference. Please ensure that your recreation sites are posted in accordance with the National Recreation Sign Plan Guidelines found at (<http://fsweb.wo.fs.fed.us/rhwr/recfee/products-signs.shtml>) and that individual Forest Accomplishment Reports are available at all Forest Service offices and everywhere fees are required.

Again, congratulations on receiving a positive recommendation to implement your fee proposals.
