Obrien/Trail Road Closures
Justification and Enforcement Plan

Background

The need for this closure order was identified, and is documented in the Obrien and Trail Environmental Assessments. Roads to be closed are 7700390, 7700395, 7700400, 7700402, 7700405, 7700406, 7700407, 7700415 (Obrien) and 6610093, 6610095 (Trail).

Justification

The Obrien E.A. specifies roads 7700390 and 7700402 to be closed by gate. The road list includes those roads that are behind the gate and will also be included under the closure. The E.A. specifies that the gate will be located on road 7700402, however the gate was actually installed on road 7700400 during the timber sale.

The Trail E.A. specifies road 6610093 to be closed by gate. Road 6610095 is also behind the gate and will be included in the closure.

Both of these closures will be in effect upon closing and locking of existing gates. This action is in accordance with W-W Supplement 7700-92-1.

Enforcement Plan

Road closure enforcement will be accomplished by locked gates and district employees working in the areas and involved in a variety of project activities. Additional enforcement may be available from the Oregon State Police.
