Though these trails are overgrown, are they recognized trails on the FS map? It seems they are trails, but have not been in use. Were they established trails by the FS?

More trails mean less user conflict with the increased use.

[9/21/2022 6:23 PM] Todd Rowley

Open up the trails please.

[9/21/2022 6:25 PM] Christina J

Keep our trails open.

[9/21/2022 6:29 PM] Mike James

Yes keep our trails open please. Most of us trail users are willing to put in time for some maintenance.

Public land and access to Public land is shrinking in MT, no need to reduce what we can do in what is open

Keith were you authorized to put in water bars?

[9/21/2022 6:39 PM] Mavor, Michele - FS

Swan View Coalition does have a volunteer agreement with the FS to do trail maintenance on FS trails.

[9/21/2022 6:40 PM] Todd Rowley
