The reduced number of private launches between 8/3 and 8/13 is due to the subtraction of rollovers that were allocated due to the temporary suspension of launches from Boundary Creek on those dates in 2023 due to the Velvet Falls blowout.

Lottery dates that were declined, cancelled, or unaccepted during the confirmation period are released for reservation starting on 3/16, 8 AM MST. Reservations cancelled after this date are released randomly within 24 hours of cancellation.
