

Motor Vehicle Use
 This Map is designed for snowmobile use only. For all other motor vehicle use, refer to Klamath, Modoc or Shasta-Trinity National Forest Motor Vehicle Use Maps (MVUMs). MVUMs show the National Forest System roads, trails and areas on National Forest System lands that are designated for motor vehicle use pursuant to 36 CFR 212.51. MVUMs are available for free at National Forest Supervisor and District offices or online at National Forest websites.
