

**PURPOSE AND CONTENTS OF THIS MAP**

The designations shown on this motor vehicle use map (MVUM) were made by the responsible official pursuant to 36 CFR 212.51, are effective as of the date on the front cover of this MVUM, and will remain in effect until superseded by next year's MVUM.

It is the responsibility of the user to acquire the current MVUM. This MVUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Bridger-Teton National Forest that are designated for motor vehicle use pursuant to 36 CFR 212.51. This MVUM also identifies the vehicle classes allowed on each route and in each area; and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or implying use or implying that the road, trail, or area is passable, actively maintained, or safe for use. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheeled vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

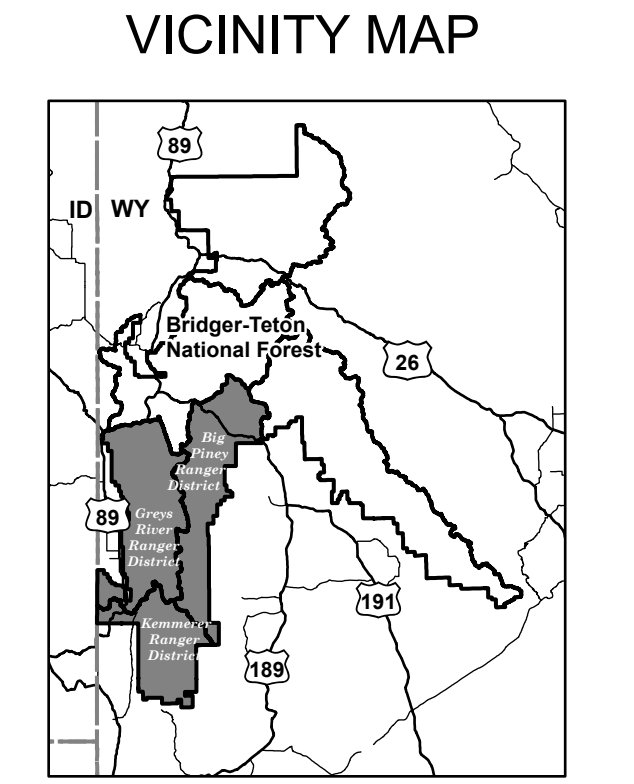

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

**OPERATOR RESPONSIBILITIES**

Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must you know and follow all applicable traffic laws, you need to show concern for the environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. As a motor vehicle operator, you are also subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question.

**PROHIBITIONS**

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Bridger-Teton National Forest other than in accordance with these designations (CFR 261.13).

Violators of 36 CFR 261.13 are subject to a fine of up to \$5,000, imprisonment for up to 6 months, or both (18 U.S.C. 3571(e)). This prohibition applies regardless of the presence or absence of signs.

This map does not display nonmotorized uses, over-snow uses, or other facilities and attractions on the Bridger-Teton National Forest. Obtain forest visitor information from the local national forest office.

Designated roads, trails and areas may also be subject to temporary, emergency closures. As a visitor, you must comply with signs indicating a national forest may issue an order to close a road, trail or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such temporary and/or emergency closures are consistent with the Travel Management Rule (36 CFR 212.52 (b)), 36 CFR 261 subpart B).

The designation "road or trail open to all motor vehicles" does not supersede State traffic law.

**EXPLANATION OF LEGEND ITEMS**

**Roads Open to Highway Legal Vehicles Only:**  
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

**Roads Open to All Vehicles:**  
These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not to oversize or overweight vehicles under State traffic law).

**Trails Open to Wheeled Vehicles 50' or Less in Width:**  
These trails are open only to wheeled, motor vehicles less than 50 inches in width at the widest point on the vehicle.

**Trails Open to Motorcycles Only:**  
These trails are open only to motorcycles. Sidecars are not permitted.

**Special Vehicle Designation:**  
This symbol indicates the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table for further instructions.

**Seasonal Designation:**  
This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.

**Dispersed Camping Allowed:**  
Motor vehicle use off of designated roads only for accessing dispersed campsites is permitted for up to 300 feet from the centerline of the road for the period of allowed use as shown on this map except in areas where there are Marked Designated Dispersed Sites.

**Other Public Roads and Trails:**  
Highways, U.S. State  
Other Public Roads  
Other Public Trails

**Short Route Identifier:**  
This symbol is used for roads that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.

**Milepost Marker:**  
This symbol is used to display the beginning and ending mileposts of a road that has a change in the designation but not the symbology.

**Trails Open to E-Bikes:**  
The Forest Service manages e-bikes as a motor vehicle. Class 1, 2, and 3 e-bikes are allowed on roads designated for any classes of motor vehicles and where consistent with state laws regarding e-bike use on public roads. Class 1, 2, and 3 e-bikes are also allowed on trails open to all classes of motor vehicles, including motorcycles; and trails designated for those classes of e-bikes. Refer to the Seasonal and Special Vehicle Designation Table for roads and trails that have restrictions on the use of e-bikes.
