EXPLANATION OF LEGEND ITEMS

Roads Open to Highway Legal Vehicles Only:

These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

Roads Open to All Vehicles:

These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not to oversize or overweight vehicles under State traffic law).

Special Vehicle Designation:

This symbol indicates the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table for further instructions.

Seasonal Designation:

This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.

Dispersed Camping Allowed:

Motor vehicle use off of designated roads only for accessing dispersed campsites is permitted for up to 300 feet from the centerline of the road for the period of allowed use as shown on this map except in areas where there are Marked Designated Dispersed Sites.

Other Public Roads and Trails:

Highways, U.S. State
Other Public Roads
Other Public Trails

These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.

Short Route Identifier:

This symbol is used for roads that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.

Milepost Marker:

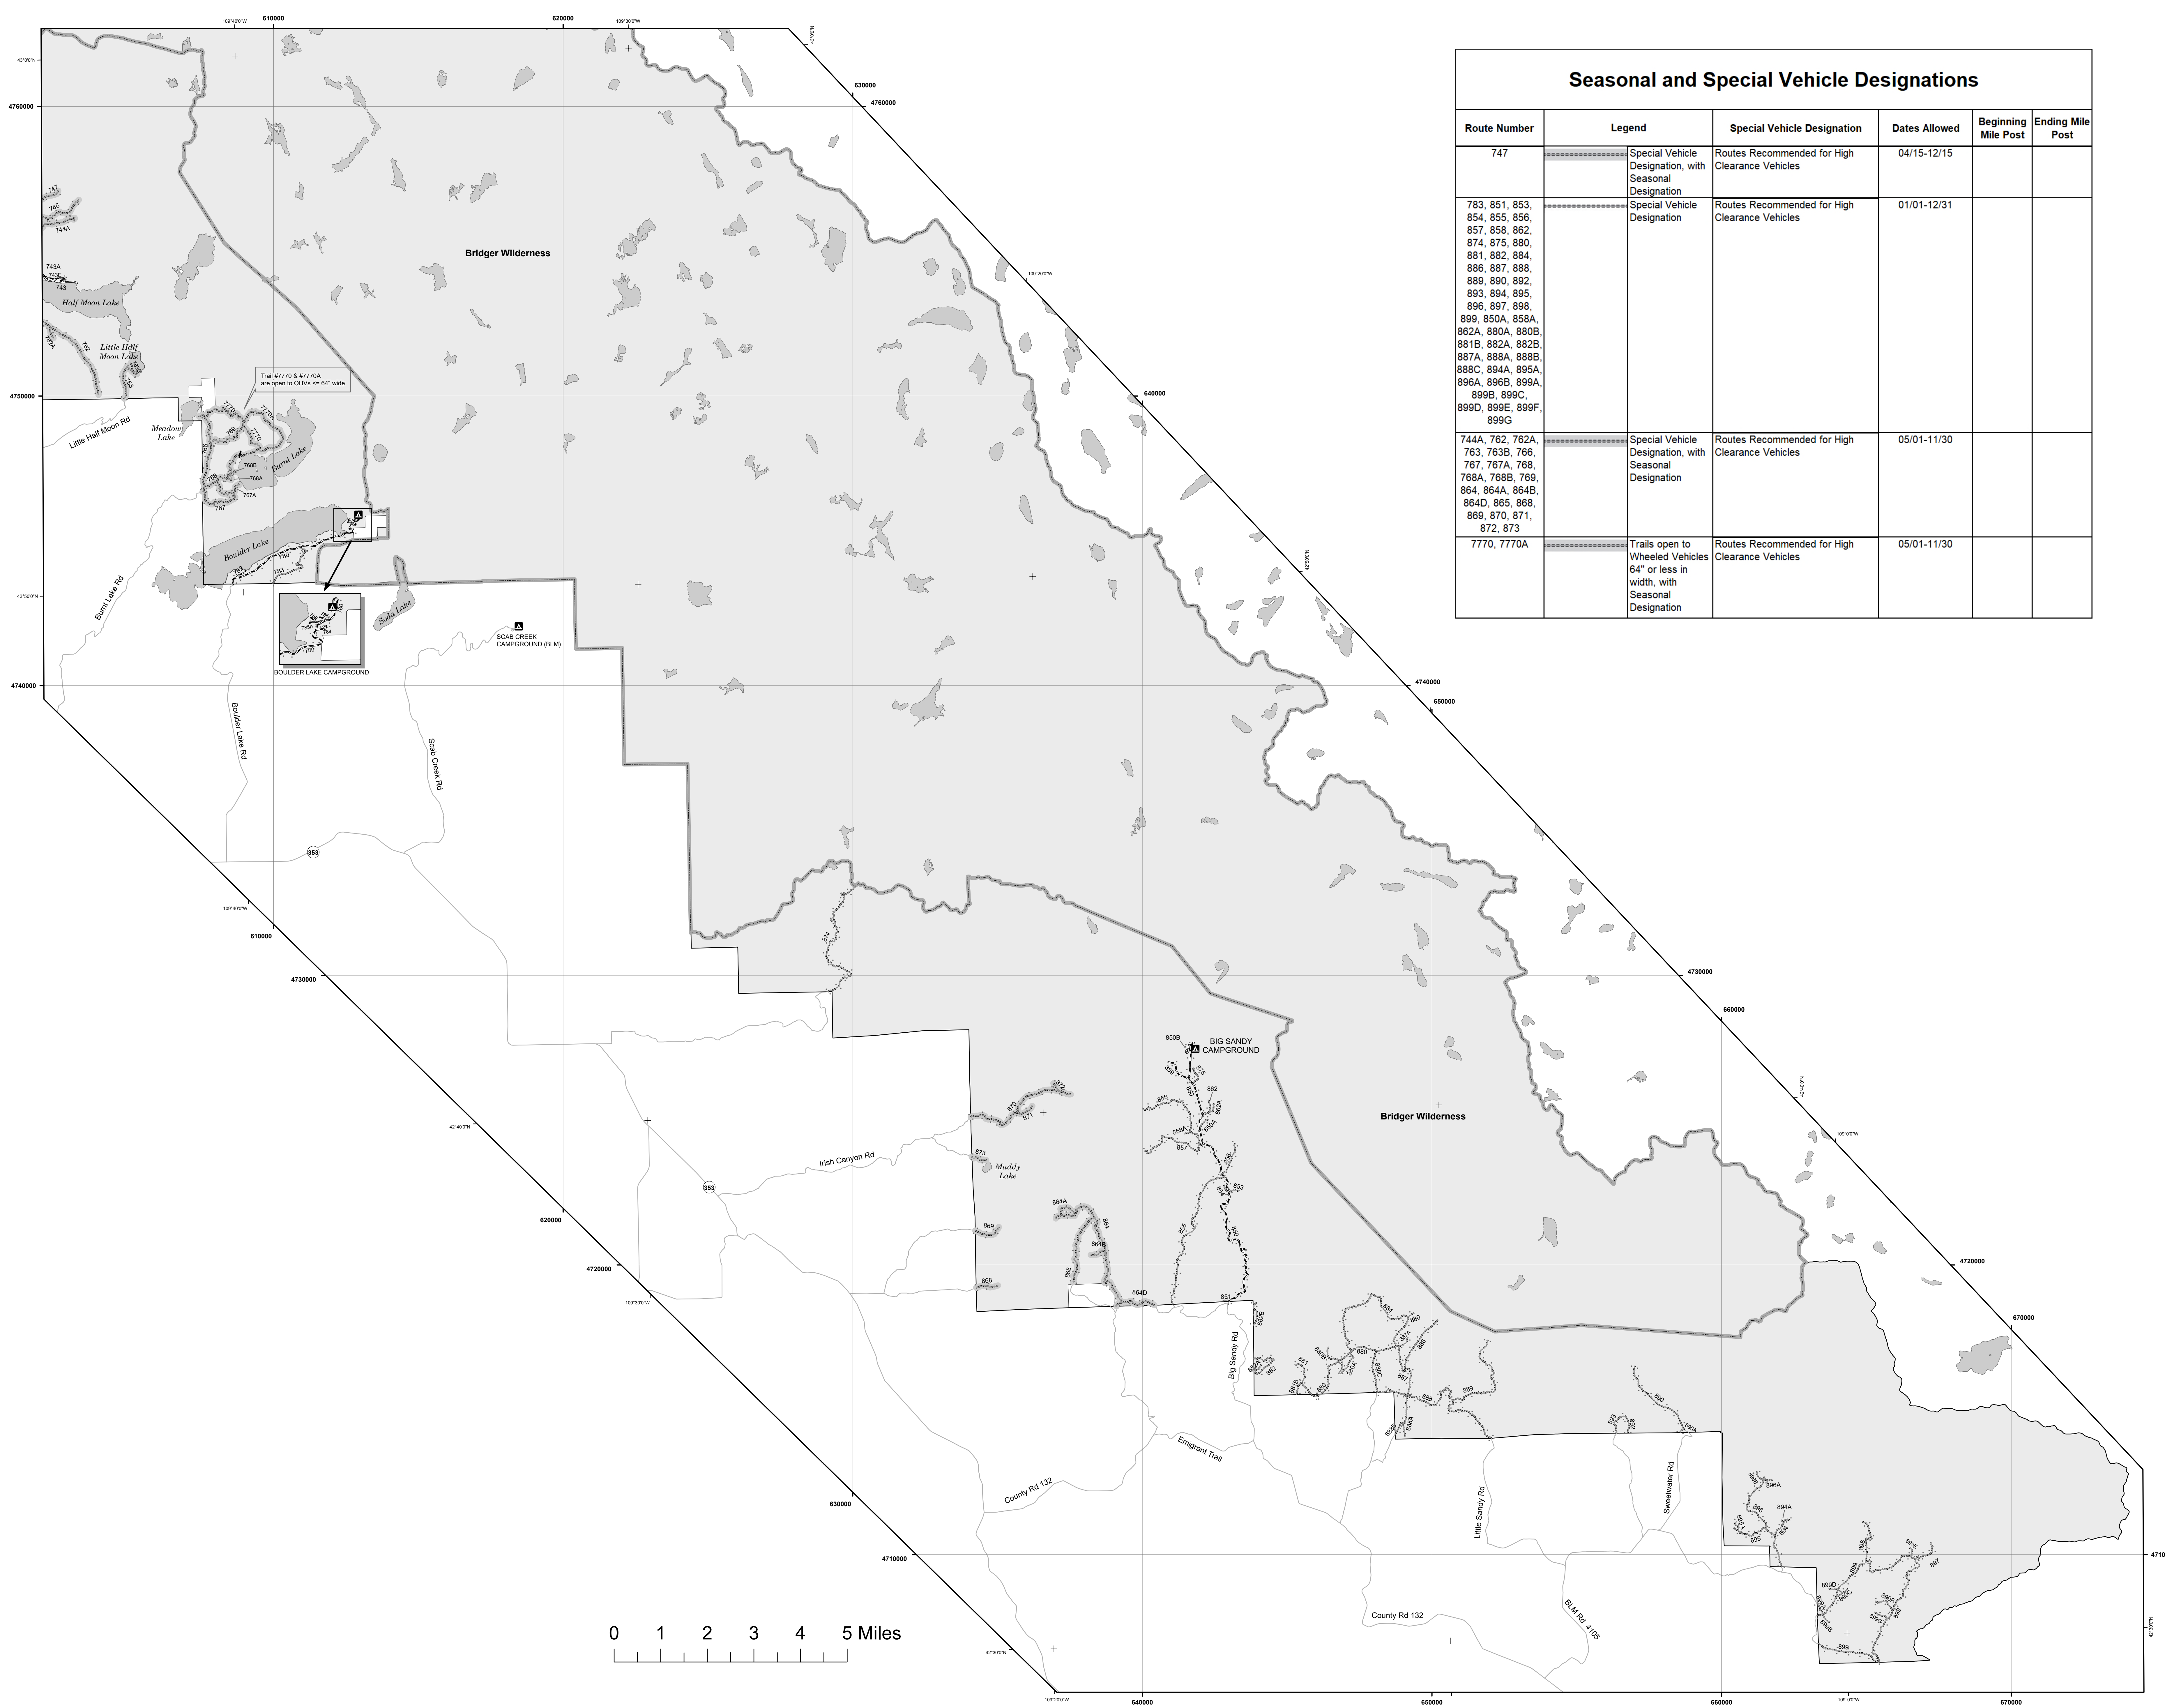

This symbol is used to display the beginning and ending mileposts of a road that has a change in the designation but not the symbology.

Motorized Trail Access:

This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.

Trails Open to E-Bikes:

The Forest Service manages e-bikes as a motor vehicle. Class 1, 2, and 3 e-bikes are allowed on roads designated for any classes of motor vehicles and where consistent with state laws regarding e-bike use on public roads. Class 1, 2, and 3 e-bikes are also allowed on trails open to all classes of motor vehicles, including motorcycles, and trails designated for those classes of e-bikes. Refer to the Seasonal and Special Vehicle Designation Table for roads and trails that have restrictions on the use of e-bikes.
