## When visiting the Sequoia National Forest, please be aware of the following:

- **Know before you GO!**
- **Pack in, Pack Out** – please pack out all trash and waste.
- **Toilet facilities may be unavailable** – please plan accordingly.
- **Be prepared for winter travel, roads and passes can close in a moment's notice.**
- **Water** may be only seasonal, unpotable, or unavailable. Please check water availability and other amenity information at <https://www.fs.usda.gov/activity/sequoia/recreation/camping-cabins>
- **NO glass food or beverage containers are allowed** on or along the Tule River.
- To review **detailed information on current closures and restrictions, including any related to campfires**, please review **Sequoia National Forest Alerts & Notices** here: <https://www.fs.usda.gov/alerts/sequoia/alerts-notices>
- Please visit <https://permit.preventwildfiresca.org/> to obtain a campfire/stove use permit. **Always check with the ranger district or visit the Alerts & Notices link above to check for campfire restrictions. Obey all posted signs.**
- **Avoid high-risk activities** – law enforcement and search and rescue operations may be limited.
- If an area is crowded, please search for a less occupied location and **practice social distancing**.
- There is **no cell phone coverage** throughout most of the Forest.
- **Hiking trails** are generally open so long as access is not affected by a Forest Order, seasonal, or other closure (see link for Alerts & Notices above for current closures)
- Please visit <https://www.fs.usda.gov/recmain/sequoia/recreation> or contact us via phone or email for current information on **recreational opportunities**.
- Per Forest Order #0513-21-16, **camping in the Sequoia National Forest is limited to 14 days per every 30-day period.**
- For OHV use please have **red/green** sticker registration, approved spark arrestors. OHV sound testing will take place this year. 96 DBAs is the noise limit after January of 1986. Stay on Designated trails.
