FY2024 INCIDENT JOB CODES

		FEMA
0156	F1####	R1 FEMA MISSION ASSIGNMENTS
0156	F1####	R1 FEMA FIRE MISSION ASSIGNMENTS

For non-fire mission assignments, assign the last 4 digits of the job code in a format that is meaningful to the region. ASC-IF shall be notified immediately after the code is assigned so that it can be established in the financial system.

ESF4 Fire Mission Assignments will utilize FireCode to establish the last four digits of the jobcode unless a PN or P# code was previously assigned. In these cases, the code will mirror the original jobcode. ASC-IF shall be contacted immediately after assigning or converting to a F code.

B-Codes will be established to correspond with each incident with a unique FireCode, including the rollover codes for ABCD Miscellaneous fires, Severity, and Support. WFSE-funded personnel will charge base hours to these codes following the Base Salary direction in the 2024 Job Code Guidance. R1 employees use override 0190 through PP27 and 0191 beginning PP01 for B-codes charges to Severity and new incidents in FireCode. B-code charges to support and ABCD Miscellaneous codes will use the 0190 code for all of FY24.

0627	F6####	R6 FEMA FIRE MISSION ASSIGNMENTS

For non-fire mission assignments, assign the last 4 digits of the job code in a format that is meaningful to the region. ASC-IF shall be notified immediately after the code is assigned so that it can be established in the financial system.

ESF4 Fire Mission Assignments will utilize FireCode to establish the last four digits of the jobcode unless a PN or P# code was previously assigned. In these cases, the code will mirror the original jobcode. ASC-IF shall be contacted immediately after assigning or converting to a F code.

B-Codes will be established to correspond with each incident with a unique FireCode, including the rollover codes for ABCD Miscellaneous fires, Severity, and Support. WFSE-funded personnel will charge base hours to these codes following the Base Salary direction in the 2024 Job Code Guidance. R6 employees use override 0690 through PP27 and 0691 beginning PP01 for B-codes charges to Severity and new incidents in FireCode. B-code charges to support and ABCD Miscellaneous codes will use the 0690 code for all of FY24.
