

Monitoring

Eligible Objectors & Interested Persons for this issue:

- WildEarth Guardians
- Sierra Club/Alliance for the Wild Rockies

Objections:

- Monitoring parameters for the revised Land Management Plan (LMP) fail to comply with the requirements under the 2012 Planning Rule to develop a monitoring program that enables the responsible official to determine if a change in plan components is needed.

Resolution Options Proposed by Objectors:

- Revise the monitoring plan questions and indicators to track whether National Forest roads and motorized use on the National Forest are (1) sustainable, (2) not causing or contributing to a violations of water quality standards, and (3) furthering the recovery of ESA listed species and designated critical habitat. [Sierra Club/Alliance for the Wild Rockies]
- Require annual reporting of compliance on monitoring plan components. [Sierra Club/Alliance for the Wild Rockies]
- Include meaningful timelines and parameters that enable the responsible official to determine if a change in plan components is needed. [Sierra Club/Alliance for the Wild Rockies]
