

Thunder Basin National Grassland 2020 Plan Amendment

Scoping Period—Public Participation Opportunities

Public meeting:

Date and Time: Monday, May 6, 2019, 4:30 to 6:30 p.m. (Mountain Time)

Location: Converse County Library, 300 East Walnut Street, Douglas, Wyoming

Format: Presentation at 5:00 p.m. View maps and project information and talk with Forest Service staff before and after the presentation.

Public online webinar:

Date and Time: Wednesday, May 8, 2019, 11:00 a.m. to 12:30 p.m. (Mountain Time)

**Most attendees will need to download a simple extension or add-in on their computer to access the WebEx meeting. Please log in 10 minutes early to ensure you have time to download software.

Format: The presentation is expected to last approximately 45 minutes, and the remainder of the time will be for questions and answers.

Access:

1. Open your web browser and use either option a or b:

- a. Click or copy and paste this link: <https://fs-fed.webex.com/fs-fed/j.php?MTID=m54f5469c09bff570368770c075115b1e>
- b. Navigate to <https://fs-fed.webex.com>.
 - i. Enter meeting number 960 637 738
 - ii. Enter password: ThunderBasin

2. Choose option a or b to connect to audio:

*Only those that choose “Call me,” option a, or that enter an attendee number, may be invited to speak during the question and answer session. Others will be able to type questions into the chat box.

- a. Preferred: Choose “Call me,” and enter your phone number. The meeting will call your phone almost immediately from a random US area code.
- b. Follow instructions to dial 888-844-9904, access code 8493511.

3. Forest Service Attendees:

- a. You may also need to download software to access the webinar. You may have a unique log in experience due to our firewall and software controls. Follow the following instructions.

- b. After entering your name and email and hitting “join now,” you may be prompted to enter your LincPass password. **Do not enter the LincPass password**; instead, hit the x to close the dialog box.
- c. Follow prompts on the following screens.
 - i. If you get a Java add-on prompt, ignore it.
 - ii. When you see “Having trouble viewing? [Go here](#),” click on [Go here](#).
 - iii. Click on “Run a temporary application.”
 - iv. Click “Run” in the pop up bar at the bottom of the page.
 - v. You should be in!
