

PURPOSE AND CONTENTS OF THIS MAP

The designations shown on this motor vehicle use map (MUM) were made by the responsible official pursuant to 36 CFR 212.51, are effective as of the date on the front cover of this MUM, and will remain in effect unless superseded by next year's MUM.

Forest Supervisor, Ochocho National Forest

It is the responsibility of the user to acquire the current MUM. This MUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Ochocho National Forest that are designated for motor vehicle use pursuant to 36 CFR 212.51. This MUM also identifies the vehicle classes allowed on each route and in each area, and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or implying use or implying that the road, trail, or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources.

Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel-drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition in 36 CFR 261.13. This is a limited purpose. The user's public lands are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management plan.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.
