R1-20-16

May 2020

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

**Final Environmental Impact Statement for the 2020 Land Management Plan for the

Abstract: This final environmental impact statement contains the analysis of six alternatives developed for the programmatic management of approximately 2,846,606 acres administered by the Helena – Lewis and Clark National Forest. It documents the analysis of the preferred alternative, four action alternatives, and one no-action alternative. The Forest Service has identified alternative F as the preferred alternative.

All alternatives retain direction in the 2018 Forest Plan Amendments to Incorporate Habitat Management Direction for the Northern Continental Divide Ecosystem Grizzly Bear Population, which was analyzed in the Final Environmental Impact Statement, Volume 3: Forest Plan Amendments to incorporate habitat management direction for the Northern Continental Divide Ecosystem Grizzly Bear Population. That analysis is not repeated here but is summarized and referenced as needed.

The decision to approve the 2020 Land Management Plan for the Helena – Lewis and Clark National Forest is subject to the objection process identified in 36 CFR 219 Subpart B (219.50 to 219.62). Only those individuals and entities who have submitted substantive comments related to the Helena – Lewis and Clark National Forest plan revision during the opportunities provided for public comment will be eligible to file an objection (36 CFR 219.52(a)).
