2. Camping, occupying, or otherwise leaving camping equipment and/or related supplies at any location on all national Forest lands described in this order for more than 28 days total during a calendar year. **[36 CFR 261.58(a)]**

EXEMPTIONS:

Pursuant to 36 CFR § 261.50(e), the following persons are exempt from this order:

DEFINITIONS:

For the purpose of this order, and pursuant to 36 CFR § 261.2, the following definitions apply to this order.

- 'Camping' means the temporary use of National Forest Service System lands for the purpose of overnight occupancy without a permanently fixed structure.
- 'Camping Equipment' means the personal property used in or suitable for camping, and includes any vehicle used for transportation and all equipment in possession of a person camping. Food and beverage are not considered camping equipment.
- 'Location' means the occupied area, the occupied campsite, and the National Forest System lands in the immediate vicinity thereof, and the lands within a 5 mile radius.
- 'Special-use authorization' means a permit, term permit, lease or easement which allows occupancy, or use rights or privileges of National Forest System land.
- 'Administrative Unit' means a National Forest, a purchase unit, a land utilization project, or other comparable unit of the National Forest System.

These prohibitions are necessary to protect public health and safety and to provide consistent public health and safety guidelines within the Pacific Northwest Region. This order will establish consistent limits of stay for camping across the Forest, protect visual quality, enhance safety by preventing user conflicts, and reduce resource damage and sanitation issues associated with long term camping.

These prohibitions are in addition to general prohibitions pursuant to 36 CFR Part 261, Subpart A. This Forest Order does not rescind or replace any other special restrictions pertaining to the described lands.

Executed in Medford, Oregon, this 14 day of May, 2020.
