

# Pathways Information

A career with the U.S. Department of Agriculture, Forest Service is a job working for nature, managing and caring for more than 193 million acres of our Nation's most magnificent lands. Working for the Forest Service means protecting the fresh water millions of Americans drink, managing the country's renewable resources, and sustaining the beauty of America's landscapes. Work for the Forest Service and leave your legacy on nature for future generations!

## Pathways Programs

These programs are streamlined developmental programs tailored to promote employment opportunities in the Federal workforce for students and recent graduates.

## Internship Program

This program offers career opportunities to students currently enrolled in qualifying educational programs or institutions (high school to postgraduate level). Eligible students may be hired on a temporary basis for up to 1 year (Intern Not-to-Exceed) or for an indefinite period (Intern). Visit [www.USAJOBS.gov/StudentsAndGrads](http://www.USAJOBS.gov/StudentsAndGrads) for more information.

## Recent Graduate Program

This program offers recent graduates of qualifying educational institutions and programs a career development program with training and mentorship. Recent graduates who have completed qualifying degree or certificate programs within the previous 2 years are eligible to apply. Visit [www.USAJOBS.gov/StudentsAndGrads](http://www.USAJOBS.gov/StudentsAndGrads) for more information.

## Presidential Management Fellows (PMF) Program

This program is a flagship leadership development program for advanced degree candidates (e.g., graduate or professional degree). The PMF Program is administered by the Office of Personnel Management. Please visit [www.pmf.gov](http://www.pmf.gov) for information on open application periods and how to apply.
