Email

NIMO IMTs are highly-trained, wildland fire professionals capable of focusing on multiple and specific tasks. Generally, these tasks encompass the NIMO mission of increasing capability and capacity; improving fuel management and tackling complex wildland fire initiatives that focus on leadership, safety, cost efficiency & training.

Please note that submission of this request does not guarantee that a NIMO team will be assigned to your project.

<b>Description of project?</b>
<b>Desired outcome?</b>
<b>Any other pertinent information?</b>
<b>Why are you requesting NIMO for this project?</b>

<b>Expected duration?</b>	<b>Estimated cost?</b>	<b>Do you have a charge code?</b>
