

# Bucks Lake Recreation Area

## Mt. Hough Ranger District

One of the more popular destinations for visitors to the Plumas National Forest is the Bucks Lake Recreation Area.

### About the Area

Bucks Lake is located 17 miles southwest of Quincy. The area offers year-round recreation opportunities making it a popular destination for outdoor enthusiasts.

### Getting there

From downtown Quincy, take the Oro-Quincy Hwy for 17 miles. From Oroville, there are two alternate routes. Take Hwy 70 east through the Feather River Canyon to Quincy, then follow Oro-Quincy Hwy to the lake, or from Oroville, take Oroville Dam Blvd., turn right on Olive/Hwy 162 and follow it to the lake. This route is only open during the summer months after the road is plowed. Call ahead for road status.

### Supplies

Many private businesses are located at Bucks Lake. There are lodges, cabin rentals, grocery stores, a marina, restaurants, boat rentals and gasoline. Because Bucks Lake offers year-round recreation, many amenities are available throughout the year.

Bucks Lake Recreation Area provides a variety of recreational opportunities for visitors. As one of the more popular recreation destinations on the Plumas National Forest, Bucks Lake boasts boat launching

ramps and provides water access for fishing, water-skiing, sailing, kayaking, or simply getting your feet wet. Sandy Point day use area is a favorite for both water play and boating. Wildlife is prevalent and visitors may spot Bald Eagles, Osprey, and Canadian Geese.

In the campgrounds, trailer sites are available as well as walk-in tent campsites. Trailers of up to 40 feet can be accommodated in some of the campgrounds; there are no hookups provided. Facilities are usually open from Memorial Day to October.

The area also offers hiking and backpacking along with mountain biking, and horseback riding opportunities on its various trails. No bicycles are allowed in the Bucks Lake Wilderness.

Bucks Lake Wilderness boundary is adjacent to the northeast side of Bucks Lake and allows access to the Pacific Crest Trail from the Mill Creek Trail, Three Lakes trail, and the Bucks Summit at the Oro-Quincy Hwy crossing.

**Summer** - During the warmer months, visitors enjoy an array of water sports and other activities. There is something for everyone including skiing, fishing, swimming, camping and picnicking.

**Winter** - Cold weather brings snow and lots of opportunities for winter recreation. With over 100 miles of groomed snowmobile trails, Bucks Lake is one of the most popular destinations in the west. Snow play, cross-country skiing, snowshoeing, and sledding are also enjoyed by visitors
