Table 1: Alternative 4, Proposed Action, Route Closures by Route Segment.....	1
---	---

Appendix B Addendum

This addendum serves to correct table errors identified in the display of information in Table 4 of Appendix B. The Forest Service attempted to provide a cross-walk from the 2020 analysis with the 2021 analysis, focusing on differences between the Alternative 1 in 2020 with the proposed action, Alternative 4. Due to subtle differences in the database, the cross-walk was unable to contrast directly Alternative 1 with Alternative 4. To provide clarity to the public on proposed route closures and align data presented with the Alternative 4 maps, the Forest Service has prepared the following table, Table 1. Table 1 indicates the following:

- Ranger District: the ranger district of the Shoshone National Forest on which the route occurs
- Alternative 4 Map Label: the label as shown on the Alternative 4 maps
- Segment #: the associated route segment that reflects the specific proposed change and closure
- Proposal: the corresponding proposal number as found in Appendix B Table 1
- Alternative 4 Legend: the general category of route
- Alternative 4 General Seasonal Description: the type of seasonal restriction applied to the route that includes Closed (Routes Closed to General Public Use), Continued Closure Dates (Dates Carried Forward from Existing Closures), New Closure Dates (New Closure Dates to Reflect Resource Protection and Management Considerations), Open Year-Round, and Revised Closure Dates (Closure Dates Revised to Reflect Resource Protection and Management Considerations)
- Alternative 4 Route Open Dates: dates that reflect the proposed open and closed season of use for wheeled routes

The following table provides a precise description of the proposed wheeled vehicle closures across the Shoshone National Forest and corresponds to the maps found on the website and the proposals described in Appendix B Table 1.

Table 1: Alternative 4, Proposed Action, Route Closures by Route Segment

Ranger District	Alternative 4 Map Label	Segment # ID	Segment Mileage	Proposal #	Alternative 4 Legend	Alternative 4 General Seasonal Description	Alternative 4 Route Open Dates
Clarks Fork	100	100.0	6.57	-	NFSR Open to Wheeled Vehicles	Continued Closure Dates	May 1 to Dec 31
