**To:** Stephaney Kerley, District Ranger

You are hereby delegated authority to act as the Agency Administrator on the Tamarack Fire Incident in my absence. You are delegated authority to work with the IMT, local line officers and cooperators to make all necessary decisions regarding this incident. I expect you to prioritize public and firefighter safety at all times; maintain a respectful, professional work environment; and enhance stakeholder relationships and support whenever possible.

For Forest-specific decisions required outside of this delegation, please work with Jon Stansfield, Deputy Forest Supervisor as necessary. Please keep a record of your activities and decisions to brief me upon my return. This delegation is effective 7/19/2021 until rescinded. Thank you for your assistance!
