Recreation Opportunities

The USDA Forest Service has a continuing commitment to provide access to National Forest lands for everyone.

This guide lists public boat ramp facilities located within the Shasta and Trinity Units of the Whiskeytown - Shasta-Trinity National Recreation Area that have accessible loading platforms.

In addition to providing easy wheelchair access for visitors when launching boats, they also can accommodate the use of patient lifts.

If you would like to use one of these loading platforms at Shasta Lake, they are located at the Antlers, Centimudi and Packers Bay public ramps. At Trinity Lake, there is an accessible loading platform at the Clark Springs public ramp.
