The campground is the most popular starting point for the Winding Stair Mountain Equestrian Trails, a 70-plus mile system of marked equestrian trails.*

These trails are a network of loops that wind over hills and mountains and through a variety of vegetation from tall majestic pines and stately hardwoods to rich river bottoms. The loops offer a rider the opportunity to decide the length of ride and type of experience desired.

Nearby, visitors may enjoy additional facilities at Cedar Lake Recreation Area, including campsites, picnic sites, swimming beaches and fishing piers on the scenic 86-acre lake.
