Wilderness, Campsites, Hiking

Summary

This point coverage was developed to aid in mapping and analysis of wilderness on the Ottawa NF.

Description

Show approx. location of campsites in the Sylvania Wilderness area. There are "dispersed" campsites in the Sturgeon River Gorge and McCormick Wilderness Areas, but no designated campsites. Last library update Feb. 2020.

Use limitations

Data may be viewed and used by any and all entities upon request. However, data should not be changed by anyone other than the Ottawa National Forest. The USDA Forest Service does not guarantee accuracy of these data

SUPPLEMENTAL INFORMATION

The Sylvania campsites were located with GPS coordinates. A map of the Sylvania Wilderness can be downloaded for free at <https://www.fs.usda.gov/main/ottawa> under "Maps and Publications/Recreation Maps, Wilderness Maps". Sylvania campsites are available by reservation only.

ACCESS CONSTRAINTS

User needs to exercise caution regarding the spatial accuracy of these data. External features cannot always be expected to align.

Sites in Sylvania are constant - there will be very little changes or movement in the points.

DISTRIBUTION LIABILITY

The USDA Forest Service manages resource information and derived data as a service to USDA Forest Service users of digital geographic data. The USDA Forest Service is in no way condoning or endorsing the application of these data for any given purpose. It is the sole responsibility of the user to determine whether or not the data are suitable for the intended purpose. It is also the obligation of the user to apply the data in an appropriate and conscientious manner. The USDA Forest Service provides no warranty, nor accepts any liability occurring from any incorrect, incomplete, or misleading data, or from any incorrect, incomplete, or misleading use of these data.

Much of the USDA Forest Service data are compiled, processed, and maintained with ARC/INFO software developed by the Environmental Systems Research Institute (ESRI). Much of the information presented uses conventions and terms popularized by ARC/INFO and its user community. The mention of commercial firms or products is for clarity and identification of procedures and methods only, and no endorsements are implied by the USDA Forest Service.
