Northern Continental Divide Ecosystem Meeting

KALISPELL, MONT. – The fall Northern Continental Divide Grizzly Bear Ecosystem (NCDE) Meeting is planned for Tuesday, December 2nd, 2014. The focus of this annual meeting is to share available information from within the NCDE.

Updates will be provided by the Grizzly Bear Management Specialists and will include an update on the Conservation Strategy Plan, a look at population trends, information on 2014 mortalities and much more.

The December 2nd meeting will start at 10 AM in the conference room at the Department of Fish, Wildlife and Parks office located at 3201 Spurgin Road, Missoula, Montana 59804.

Additional meeting information, including an agenda, can be found at the Interagency Grizzly Bear Committee (IGBC) website:
