

# Is it a Mink or a Fisher?

[www.usda.gov/olympic](http://www.usda.gov/olympic)

## Mink

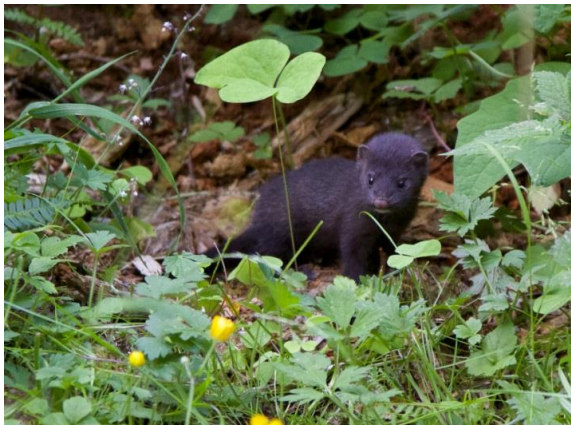

Photo by Todd Karin (young animal)

ONF Remote Camera Photo (adult)

Minks are smaller, 12-16" head to tail; 1-2 ¼ pounds; small, white patch on chin and/or throat/chest; with a shorter, less bushy tail.

## Fisher

Olympic National Park (ONP) Remote Camera Photos (both adult animals)

Fishers are bigger, 17-31" head to tail; 4 ½ - 12 pounds; grizzled, yellow-brown color to grayish yellow; with a very bushy and longer tail.
