

TRAILHEADS

SALOME WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

A Cross TH: From Claypool (between Miami and Globe), take State Highway 88 northwest for approximately 15 miles to its junction with State Highway 288. Turn right onto Highway 288 and drive north for approximately 13 miles to the A Cross Road (Forest Road 60). Take Road 60 west for 17 miles. This trailhead is on the north side of and adjacent to Road 60. This road is suitable for sedans, except during foul weather.
Trail accessed: **Jug Trail 61.**

From Punkin Center, drive south 7.5 miles on State Highway 188 to A Cross Road (Forest Road 60). Take Road 60 east for 9 miles to the trailhead. This road is suitable for sedans, except during wet weather or when Tonto Creek

Be sure to secure your vehicle, and don't leave valuables in sight while you're gone. Also be sure someone knows where you are going.
