### Trail Ethics

Please don't cut across switchbacks or pioneer new trails.

### Extreme Weather

Clear sunny days can quickly turn into afternoon thunderstorms. Start trips early in the day and carry raingear.

### Stream and Spring Water

Do not drink it! Each trail user should carry at least one quart of water.

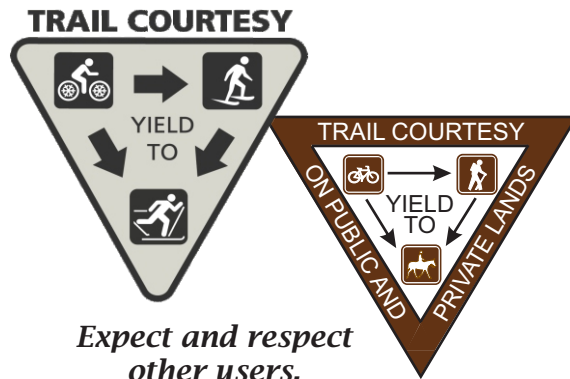

### Fire Safety

In accordance with the Black Hills Fire Protection District regulations and South Dakota state law, open fires are prohibited throughout the forest.

### Motors and Machines

This trail is not maintained for the use of motorized vehicle traffic.

*Expect and respect other users.*

Twenty-four out-and-back trails, with intertwining loops, the Eagle Cliff Trail System offers fun and challenge at every turn. Trails range from short and rugged, to long and winding. There are a range of difficulties so you can create your own adventure. This trail system is popular with the winter skiing community and summer hikers, bicyclists and horseback riders.

The Eagle Cliff Ski Trails were developed by local skiing enthusiasts in the mid-1980's and have quickly grown to accommodate a broader range of recreation opportunities over the years.

The trail difficulties on this map are rated for cross-country skiing. Other users may find them less difficult. Today the trails are maintained by the USDA Forest Service and the Eagle Cliff Ski Association.

*Enjoy the National Forest, but please TREAD LIGHTLY and DON'T LITTER.*

The USDA is an equal opportunity provider and employer.

**Elevation:** 5,760 to 6,520 feet  
**Bratwurst Trailhead:** Lat. 44.230442, Long. -103.936563  
**Holey Rock Trailhead:** Lat. 44.229050, Long. -103.951732  
**Best Access:** From Spearfish, take U.S. Hwy. 14A south through Spearfish Canyon Scenic Byway to U.S. Hwy. 85, at Cheyenne Crossing. Take U.S. Hwy. 85 southwest for 3.7, 7.3, 8.1, and 9.1 miles to the Trailheads.
