

California SNO-PARKS

Sierra National Forest

The California Department of Parks and Recreation operates 21 **SNO-PARK** sites state-wide that provide snow-cleared parking lots with sanitation facilities with access to snow play areas, cross-country ski and snowmobile trails. Snow-cleared parking lots cannot be guaranteed on a daily basis because of weather conditions and snow plowing priorities. On the Sierra National Forest there are five **SNO-PARK** sites located near Shaver and Huntington Lakes. The **SNO-PARK** Program is administered by the Off-Highway Motor Vehicle Recreation (OHMVR) Division. Please call the **SNO-PARKS** hot line at (916) 324 -1222 for more information.

A **SNO-PARK** permit is required for each vehicle parked at a **SNO-PARK** site from November 1 through May 30 of each year. Permits are sold as Day Permits or Seasonal Permits by **permit vendors** throughout northern California. Day permits are sold for \$5.00 and are valid for one single day. Season permits are sold for \$25.00 and are valid for the entire **SNO-PARK** season from November 1 through May 30. Vendors are listed on the back.

The **SNO-PARK** permit must be displayed on the left side of the vehicle dashboard where it can be seen clearly from outside the vehicle. All permits sold are non-refundable; day permits are non-transferable. Any vehicle parked at a **SNO-PARK** site without a permit properly displayed is subject to a \$75.00 fine. Should you receive a fine and have questions, contact the court or law enforcement office of the County in which the **SNO-PARK** site is located.

Parking is on a first-come, first-served basis at all **SNO-PARK** sites. No refunds are issued if your favorite **SNO-PARK** is full. Park and drive carefully within **SNO-PARK** sites. Overnight parking, including in-vehicle camping is allowed except where noted or signed at **SNO-Park** sites. Tent camping or sleeping outside a vehicle in the park-

ing area is prohibited at all **SNO-PARK** sites. Do not build campfires on paved areas. Do not litter **SNO-PARK** sites. Trash containers may not be provided, pack out your own refuse. Carry a shovel and tire chains. Vehicles parked overnight need to be staked at all 4 corners with 1x2 inch by 8 foot poles to prevent accidental damage by snow removal equipment. Your common sense, skill level, and use of proper clothing, respect for the terrain and weather all affect your safety. Plan your trip. Call 1 (800) 427-7623 for a CALTRANS recording on highway conditions.

LOCATION OF SNO-PARK SITES

The following sites area located on the Sierra National Forest:

- **Balsam Meadows** north side of Highway 168, 55 miles east of Fresno in Fresno County. Snow play area with limited cross-country skiing. No snowmobiling. Site is managed by Southern California Edison. Call (559) 841-3113.
- **Tamarack** south side of Highway 168, 60 miles east of Fresno in Fresno County. Snowmobile trails, cross country skiing and limited snow play. Call (559) 855-5360.
- **Coyote** north side of Highway 168, 61 miles east of Fresno in Fresno County. Cross-country ski area with limited snow play. No snowmobiles. Call (559) 855-5360.
