

Chapter 6 - Agencies, Organizations and Individuals

The Environmental Impact Statement for the proposed Forest Plan was distributed to agencies, organizations, and individuals as required by National Environmental Policy Act regulations (40 CFR 1502.19). Prior to release for public review and comment, those organizations and individuals on the Forest planning mailing list were notified of the availability of the documents. The organizations and individuals listed below requested copies of the planning documents.

This list is not intended to be complete, but it gives an indication of the numbers of copies that have been distributed. The complete mailing list is on file at the Forest Supervisor's Office, 1312 Fairlane Road, Yreka, CA.
