Updated April 2019

Limit – 1 Hot Springs Campsite (not guaranteed) Frissell condition classes: I = least impacted to V = most impacted

* Camps with Heritage values; camping may be restricted in these sites - see camp map for specifics.

This list may include camps that are not always useable (high/low water, sand bars, etc).

Camp assignments are determined using group size. Coin flip may resolve conflict(s), but Forest Service has final authority. Lay-overs**: an L means a layover may be allowed; subject to ranger discretion and daily logistics needs; not guaranteed.
