## Description

If you want to escape to a small, remote campground with some large, majestic pine, then Fenske Lake is for you. Reservations are encouraged as the campground is popular. Most sites will not accommodate large recreational vehicles and five sites are tent only. The campground is an ideal base camp from which to explore the area. Remote northwoods fishing, hiking, sightseeing and back country canoe loops are nearby.

There are no lifeguards at the beach. Swim at your own risk. No diving is permitted anywhere from the shoreline of Fenske Lake Campground.
