Description

Echo Lake Campground is set in a mix of aspen, balsam, spruce, and pine trees. It is a family-friendly campground with a small playground for children, a swimming beach, and a hiking trail. The lake is popular for walleye and pan fishing.

Each campsite has a picnic table and fire grate. RVs and campers up to 45 feet in length can fit in most sites.

Echo Lake is also a convenient location for visitors of the Boundary Waters Canoe Area Wilderness to camp overnight before or after their canoe trips. The Echo Lake Hunter Walking Trails are also nearby for grouse hunters.
