Re: Docket Number 22-J-0052

Your Honor:

We are writing to you today concerning Docket 22-J-0052 for a sourcing area application from Bell Timber, Inc. We respectfully request that this application be denied for areas located in the state of Colorado.

We are a family owned and operated sawmill that has been in operation in Colorado since 1978. The market in the state for sourcing saw timber has been, and continues to be, very competitive. We have significant concerns about the impact the approval of this application would have on our ability to procure logs for processing to meet the ongoing needs of our customers, as well as the potential economic impact in an already inflated market.

Thank you for your time and attention to this matter.
