

Snowmobile Route Updates

McCall, ID, December 20, 2024— Visitors are asked to expect some changes to groomed snowmobile routes on Payette National Forest for the 2024-2025 winter season. These are due to impacts of the 2024 Lava Fire to several roads on Payette National Forest, as well as fire-related delays to ongoing logging and log hauling operations.

A closure order (#0412-611; [Order Number: 04-12-307](#)) for the Lava Fire Burned Area is in place on the following groomed routes:

- Rd 180
- Rd 206, south of its junction with Rd 835
- Rd 231 between the burned area perimeter and its junction with Rd 180
- Rd 718

The following routes will not be groomed this winter due to logging and log haul:

- Rd 206 between its junction with road 326 and its junction with Rd 718
- Rd 835 between its junction with Rd 326 and its junction with Rd 206

Please reference the Payette National Forest Winter Travel Map.
