Stocked Fishing Ponds on the

North Fork John Day Ranger District

West Side

The Oregon Department of Fish and Wildlife (ODFW), in cooperation with the Umatilla National Forest (US Forest Service), annually stock 20 rock quarry ponds on the North Fork John Day Ranger District with catchable sized trout. Depending on access, the ponds are usually stocked by early to mid-June.

These ponds are not usually near developed campgrounds, so plan your fishing trip as a day-use activity, or come prepared for primitive camping. If you camp, please remember to tread lightly. Respect the environment and other users.

Leave no trace or evidence that you were there. Do not clean your fish in the pond. Doing so fouls the water. If you clean your fish on site, bury the waste parts. Please pack out your trash and keep vehicles on roads or in parking areas.

Oregon State fishing regulations apply to these ponds. Check your fishing regulations pamphlet, to make sure you have the appropriate fishing license.

Read on for directions to the ponds. The map on the reverse side of this brochure will help you locate them.

Good fishing!

Free Fishing and Derby Information:

Annually the Umatilla National Forest, in partnership with the City of Ukiah hosts a Free Kids Fishing Day at Twin Ponds. This event usually occurs the first Saturday in June. Past events have included fishing instruction, a raffle, snacks, activities and prizes.

The Ukiah Kids Fishing Derby coincides with a Oregon Department of Fish and Wildlife free fishing weekend. On Free Fishing Weekends, no license, tags or endorsements are needed.
