

PAY WITH THE RECREATION.GOV MOBILE APP

1

Introducing Recreation.gov Scan & Pay for first-come, first-serve campsites at select campgrounds.

2

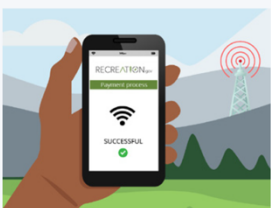

Select an unoccupied campsite and place your tent or equipment down to claim the site.

3

Visit the kiosk, scan the QR code with the Recreation.Gov app, and follow the on-screen instructions to pay for your site.

4

Got cell connectivity? – You're all set!

No cell connectivity? – No problem! Your payment will be marked as "Pending" until you reach cell connectivity later.

5

Once payment is complete, a confirmation page will be available in the app.

6

Be sure to follow any additional instructions at the kiosk or on your camping pass to indicate your campsite is paid for and occupied.
