

INSTRUCTIONS FOR COMPLETING FORM

The following instructions are intended to assist you in completing this form. There are two options to completing this form. The form has fillable sections to enter information on an electronic device OR you can print the form, complete it manually and scan all pages into a single PDF document.

OPTION 1: Electronic

Depending on your Internet browser, you may not be able to enter information in all the required fields. If this is the case, download and save the form and then open in a PDF reader application. Complete the form, be sure to include all required information and then save as a single PDF document using the file naming convention described in Section E in the solicitation. Email the form to the email address also located in Section E in the solicitation. Submit 1 completed form per resource only.

OPTION 2: Manual

Print the form in its entirety and hand enter information in all the required fields. Combine completed form and all required information, scan and save as a single PDF document using the file naming convention described in Section E in the solicitation. Email the form to the email address also located in Section E in the solicitation. Submit 1 completed form per resource only.
