How do I initiate my eMedical packet in ConnectHR?

NOTE: If you do NOT have access to your ConnectHR, contact your HSQ Coordinator (HSQC) to initiate a packet for you and follow the instructions starting in Section 2.

- Select "New Packet-Self" from the navigation menu on the left side of the page to initiate the medical clearance process.
- Select the appropriate level of Work Capacity Test (WCT) (i.e., light, moderate or arduous) required by your incident qualification position(s) from the dropdown.
- Select position employment type from the following options:
 - Permanent Fire Fire/FAM/Fuels permanent full-time (PFT) or permanent seasonal employee (PSE).
 - Permanent Non-FIRE— PFT or PSE non-fire employee who performs fire duties.

- Click the "Submit" button.

- A popup box will appear stating "Request for Medical Clearance has been sent for review. You will receive an email notifying you of next steps".
- Your HSQC will now need to claim your packet and review your request. You will then be prompted via email to complete the Informed Consent form in eMedical.
- If you are not approved, you will be notified by email to review the HSQC's reason for rejection. You will then be able to resubmit an HSQ initiation request, if needed. This is mainly in the event that your requested WCT Level is too high for the Incident Qualification listed.

2. How do I initiate a packet in eMedical if I DO NOT have access to ConnectHR?

2.1 When can I begin the eMedical process?

If you are in pay status, you can begin the process any time if someone initiates the packet for you.

Interim, new, temporary/1039 employees can request that a packet be initiated for them as soon as their Tentative Selection Notice (TSN) is issued.

2.2 How do I access eMedical when in non-pay status or if I do not have access to ConnectHR?

Employees that do **NOT** have access to their ConnectHR can access eMedical by using our external website:

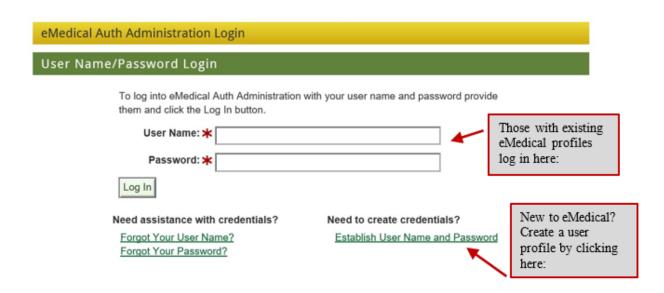

https://emedicalacc.gdcii.com/user

The Health Screening Questionnaire Coordinator (HSQC) must start the eMedical process by initiating new packets for employees who *do not* have access through ConnectHR. Employees using our external site can ONLY access eMedical AFTER their HSQC begins the process for them. Wait for the email from eMedical with your Access Code and instructions to access the system.

If this is the first time you have accessed eMedical and just created a profile, follow the directions below. You will need the invitation code emailed to you to access eMedical.

If you already have a profile and have used eMedical, log in and skip to step 2.2. You will not need to use an invitation code.

In the email sent to you by eMedical, locate your 25 digit Invitation Code under Step 5 and copy and paste it into the Invitation Code field on the login screen.

Example of eMedical email:

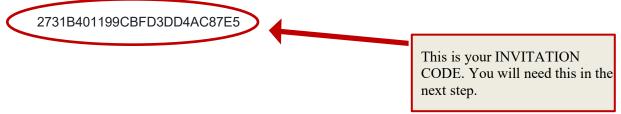

You are required to complete the Informed Consent Statement in eMedical to proceed with clearance.

INSTRUCTIONS TO COMPLETE INFORMED CONSENT STATEMENT:

- Please navigate to this web address:
 https://emedicalacct.gdcii.com/user
 to complete the Informed Consent Statement by 9/19/2020. If you are unable to click on the link provided, copy and paste the link into your internet browser and press the "Enter" key.
- 2. If you have not established a USFS eMedical User Profile, click on the link "Establish Username and Password" below the main login fields, and follow the prompts to establish your profile. Then Click "Submit".

- 3. If you have already established a Username and Password, log in on this screen.
- 4. Once logged in, you may be prompted to enter your **Unique Invitation Code**. If you are not prompted to enter your invitation code, skip to Step # 7.
- 5. If prompted, enter your <u>Unique Invitation Code</u>. This code is one-time use only.

Copy/Paste your Invitation code into the appropriate field shown below. Then verify your SSN and Date of Birth and click "*Submit*". Note, if you receive an error that states your information is incorrect, contact your HSQC for help.

NOTE: After you have regained ConnectHR (Dashboard) Access, employees can complete their eMedical process through ConnectHR.

Log in to eMedical.

Click "My Packets" on the left menu.

3. Arduous Medical Process (AMP) VS. Heath Screening Questionnaire (HSQ)

- The AMP is for those taking the *arduous* WCT.
- The HSQ is for those employees taking the *moderate* and *light* WCTs.

3.2 How do I know what exam/questionnaire I am supposed to take?

eMedical keeps an electronic medical history that you can reference as needed.

You can access your packet anytime (Refer to Section 9) however *your HSQC determines which process to direct you to* when they initiate or approve your packet. When you log in to complete eMedical, you are automatically routed to the appropriate process based on what your HSQC determined.

3.4 How do I complete the HSQ?

• Check any box that applies in either Section A or B of the form.

HEALTH SCREENING QUESTIONNAIRE (HSQ) Assess your health needs by marking all true statements The purpose of the HSQ is to identify individuals who may be at risk while taking the Work Capacity Test (WCT) and recommend an exercise program and/or medical examination prior to taking the WCT. Employees are required to answer the following questions which were designed to identify those individuals who may be at medical risk when taking a WCT. The HSQ is not a medical examination. Any medical concerns you have that may place you or your health at risk should be reviewed with your personal physician prior to participating in the WCT. 5. Exam Clearance, Waivers and Mitigations

Notification of Medical Clearance

Once your physical exam results are submitted in eMedical, it will be reviewed by the appropriate person (HSQC, USFS Medical Officer or other eMedical administrator). The USFS Reviewing Medical Officer (RMO) will ultimately determine if you are "Medically Qualified" and may assign waivers and mitigations. You will be notified by email if you are medically cleared, if additional information is needed, or if you have been granted a waiver.

5.2 What is a waiver? How is a waiver issued?

Employees may be issued a waiver from the USFS RMO for their particular conditions. The waiver may require that employees provide specific medical information annually to be cleared to the WCT. Waivers are ONLY issued from the USFS Medical Qualifications (eMedical) Office. They cannot be issued by personal medical providers.

What do I do if I have a waiver?

 You should check the "I have a waiver" box to inform the HSQC of your waiver. The HSQC needs to send the packet to the RMO to review the waiver mitigation.

5.4 How do I view my exam Waiver and Mitigations?

When an employee is cleared after the exam process, they are emailed notification of their clearance and directions on how to view their waiver specifics. MAKE SURE to view your waiver and mitigations instructions after you receive it! MANY waivers require information to be submitted to the MQP Office annually. Specific directions are found in your waiver/mitigation.

IMPORTANT: ALL WCT related updates will come from eMedical@gdcii.com. PLEASE READ ALL EMAILS from this address fully.

Employee Directions to View Waiver:

- 1. Log into eMedical.
- 2. Go to My Packets
- 3. If the waiver was issued in 2017 or later it will be highlighted in your list of packets. You can click on the link and it will take you to your waiver information.

7. WCT Completion Questions

7.1 Once I am cleared to take the WCT, what is required?

Employees will be notified via email when receiving clearance to take the WCT.

Print a copy of the WCT clearance email and bring it to the WCT to present to your WCT Administrator (or as directed by your HSQC, some units may not require printed copies).

7.2 How can I view my WCT results?

Note: Only WCT results of "Fail" or "Did Not Complete" are typically entered in eMedical. If you passed the WCT, you are authorized to perform in whatever Incident Qualification Position level you tested for (or lower). Passing WCT results will only be recorded in IQCS. Any results can be viewed in eMedical on the packet summary page by navigating to "View Summary" inside of the current packet.

If an employee does not pass or complete the WCT, they can view their results in eMedical on the packet summary page by navigating to "View Summary" inside of the current packet.

The employee's supervisor will authorize or deny any retests with your HSQC who will then authorize the retest in eMedical.

Employees will then need to agree to an additional test in eMedical before they again show on the "Cleared to Test" list.

7.3 How do I indicate if I want to participate in a WCT re-test?

If a WCT re-test is authorized, employees will receive an email notification and they will need to confirm in eMedical if they plan to take another test. The following steps need to be followed to either confirm or decline a retest:

- Log in to eMedical.

You must wait at least 48 hours after a non-passed WCT to attempt another WCT. Contact your WCT Administrator to sign up for another WCT.
 - If you do not wish to re-take the WCT, click "No, I decline to re-test" from the drop-down box. The packet will be closed, and no further action will occur unless a new packet is initiated.
- Click the "Submit" button.
