

## Fiscal Year 2022 Landscape Scale Restoration Funded Projects

State	Project Name	Funding
AR	Building Relationships with Family Forest Landowners as a Pathway to Increasing Forest Planning and Certification in the Wester Upper Gulf Coastal Plain	\$124,646
CO	Community Threat Assessment Protocol -Inventory for Small Towns	\$300,000
FL	Implementation and Development of Wood Utilization + Innovation Networks	\$203,436
FM	Yap Agroforestry	\$60,144
GA	Enhancing the Ability to Harvest, Extract, Clean, and Store Longleaf and Shortleaf Pine.	\$272,130
GU	Yap Agroforestry	\$125,748
HI	Cross-Boundary Response: Mitigating Invasive Species in Hawaii's Rural Landscapes.	\$300,000
HI	Statewide Protection of Ohia Forests from Disease	\$300,000
IA	Spreading the Wings of Forestry—Science-based Resources for Forest Management & Bird & Bat Habitat	\$163,045
IN	Expanding and Stewarding Regional Forest Canopy through the Northwest Indiana Tree Planting Consortium	\$333,344
IN	Let the Sun Shine In: A Collaborative Approach to Conservation of Indiana's Oak-Hickory Ecosystems	\$288,272
KS	Community Threat Assessment Protocol -Inventory for Small Towns	\$299,550
KS	Improve the Health, Water Quality and Productivity of Forest & Agroforest Ecosystems Across Public and Private Boundaries	\$300,000
MA	Massachusetts Dynamic Forest Restoration Initiative	\$215,000
MD	Making Trees and Buffers the Right FFIT (Forestry Finance Implementation Tool) for Stormwater Planning	\$126,532
MI	Forests to Michigan Faucet	\$299,381
MI	Overcoming Barriers to Prescribed Fire in Michigan	\$299,925
MS	Mississippi Landscape Management Plan Project	\$71,771
MT	Southwest Montana Zone Fire Restoration Project	\$300,000
MT	Basin Creek Watershed Restoration Partnership	\$300,000
NC	Sustaining Hemlocks, Phase II	\$238,737
NC	Increasing the Pace of Forestry: Forest Restoration for Rural Landowners	\$286,442
NE	Community Threat Assessment Protocol -Inventory for Small Towns	\$300,000
NE	Small Projects, Wide Reach, a Nebraska Collaboration for the Benefit of Communities, and the Iowa Tribe of Nebraska and Kansas.	\$300,000
NH	Women & Woodlands: Increasing Stewardship of Women-owned Forestland in New Hampshire	\$221,673
NH	Restoring Riparian and Floodplain Forests in the Connecticut River Watershed	\$163,217

NJ	Improving Forest Health through Community-based Collaboration between Public and Private Landowners	\$372,905
NV	Cross-boundary, Collaborative Landscape Restoration to Reestablish Fire-Adapted Forests and Mitigate WUI Wildfire Risk	\$300,000
OR	Jacksonville Community Wildfire Protection Project	\$300,000
OR	Statewide Backyard Debris Burn Portal - Can I Burn?	\$77,026
PA	Riparian Rangers: A Collaborative Community Approach to Successful Afforestation	\$100,000
PA	Protecting Pennsylvania from Invasive Species: Building Partnerships for Regional Invasive Species Management	\$210,000
PR	Forest Fire Prevention in Fire Prone Landscapes in Puerto Rico - Phase II	\$226,385
PR	Working with Land Stewards and Communities to Restore Degraded Landscapes in Central-Southwest Puerto Rico	\$334,146
RI	Planting Resilient Riparian Forests for Water Supply and Public Health in Underserved Rhode Island Communities	\$476,961
SC	Implementing the Southeastern Partnership for Forests & Water	\$389,436
SFLR	Expanding Outreach & Forest Management to African American Landowners in the South	\$187,218
TN	Hemlock Woolly Adelgid Suppression Program	\$572,454
TN	Forestry Workforce Promotion & Training Program	\$354,063
TN	Tennessee Statewide Urban Tree Canopy Assessment	\$194,059
TX	Restoring the Oak Savanna Mosaic	\$272,984
TX	Where is all the timber going?	\$260,912
TX	Leveraging Tree City USA to Increase Urban & Community Forestry Resiliency	\$167,181
VT	Climate Adaptation for Vermont's Forests and Forest Products Supply Chain	\$278,094
VT	Engaging New Landowners in Vermont to Maintain Healthy Forests	\$149,004
WA	Collaborative Landscape and Community Resilience in the Cle Elum Priority Landscape	\$294,199
WA	Riparian Restoration for Watershed Resilience, Salmon, and Forest Health in the Middle Snohomish	\$300,000
WI	Developing a Network of Bird Habitat Focused Forest Management Demonstration Areas in Wisconsin	\$296,675
WI	Using Boots on the Ground & Outreach to Private Forest Landowners to Affect Landscape Scale Restoration Across the Lumberjack Resource Conservation & Development Region	\$143,575
	<b>Total</b>	<b>\$12,450,270</b>
