<sup>a</sup> Reimbursable balances recorded within each Treasury Symbol reflects reimbursable authority. This does not represent an unobligated balance available to the agency for obligation but instead represents the executed reimbursable agreements where services have not been provided and/or anticipated reimbursable agreements that will be established and/or anticipated collections. This authority related to reimbursable balances is not available to the agency until services are provided, billed and collected. These amounts should not be considered as available unobligated balances.

<sup>b</sup> Indicates accounts where all the budget year's are "no year", meaning programs with a budget year that does not expire.

<sup>c</sup> The Forest Service is currently undergoing a process to clean up these negative balances.
