File Code: 1950/2470

Date: January 30, 2002

Route To: (Sabine Staff), (George Weick)

Subject: Allocation of Tannehill/Bishop Tracts based upon the Texas Blowdown
Reforestation Project ROD

To: Forest Supervisor

The Tannehill/Bishop Land Exchange and Forest Plan Amendment Environmental Assessment and Decision Notice and FONSI (DN & FONSI) allocated most of the tracts to be acquired into Management Area (MA) 2 Red-Cockaded Woodpecker on March 14, 2001 (see attached maps). The Texas Blowdown Reforestation Project Record of Decision (ROD) had reallocated Compartments 50 and 56 into MA-1 General Forest on November 28, 2000. The ROD takes precedence in the allocation of these recently acquired tracts. The following table reallocates the tracts to the appropriate management areas:

TRACT	TRACT ACREAGE	MA 1 GENERAL FOREST*	MA2 RED-COCKADED WOODPECKER*	MA4 STREAMSIDE MANAGEMENT ZONE*	MA10b SPECIAL USE PERMIT SITES*
S-69	37.74	33.74		4	
S-69a	49.68	43.68		6	
S-69b	99.74	55.74	30	11	3
S-69c	181.93	136.93		44	1
S-69d	27.58	15.58		12	
S-69e	3.94	2.94		1	
TOTAL	400.61	288.61	30	78	4

*Acreages are approximations.

Maps of the allocations are attached showing the original allocation under the DN & FONSI and appropriate allocation using the ROD. This letter clarifies the discrepancies made in the DN & FONSI.
