

Fishlake National Forest Mount Terrill Wildflower Viewing Area

Directions:
 From the center of Richfield, Utah, follow the signs to Fish Lake: east on UT 119 about 9 miles, southeast 23 miles on UT 24, then northeast 8.5 miles on UT 25. From Fish Lake Lodge, continue on UT 25 for 8 miles to the Sevenmile Road at Johnson Valley Reservoir. Proceed north on Sevenmile Road to the Mt. Terrill Guard Station, about 7 miles. The flower garden is just east of the Guard Station. Other flowers can be seen as you continue north toward Nioche Pass. In fact, the flora is seasonally spectacular all along the Sevenmile-Gooseberry Road from Johnson Valley Reservoir north to I-70.
